Metallic & Leather Surface Series

All standards base material like plywood, block board, MDF etc. used for laminates are also suitable for **GRACE** surface panels. Just like all normal high pressure laminates. **GRACE** can be sawn, drilled and pasted.

Size : 2400mm X 600mm

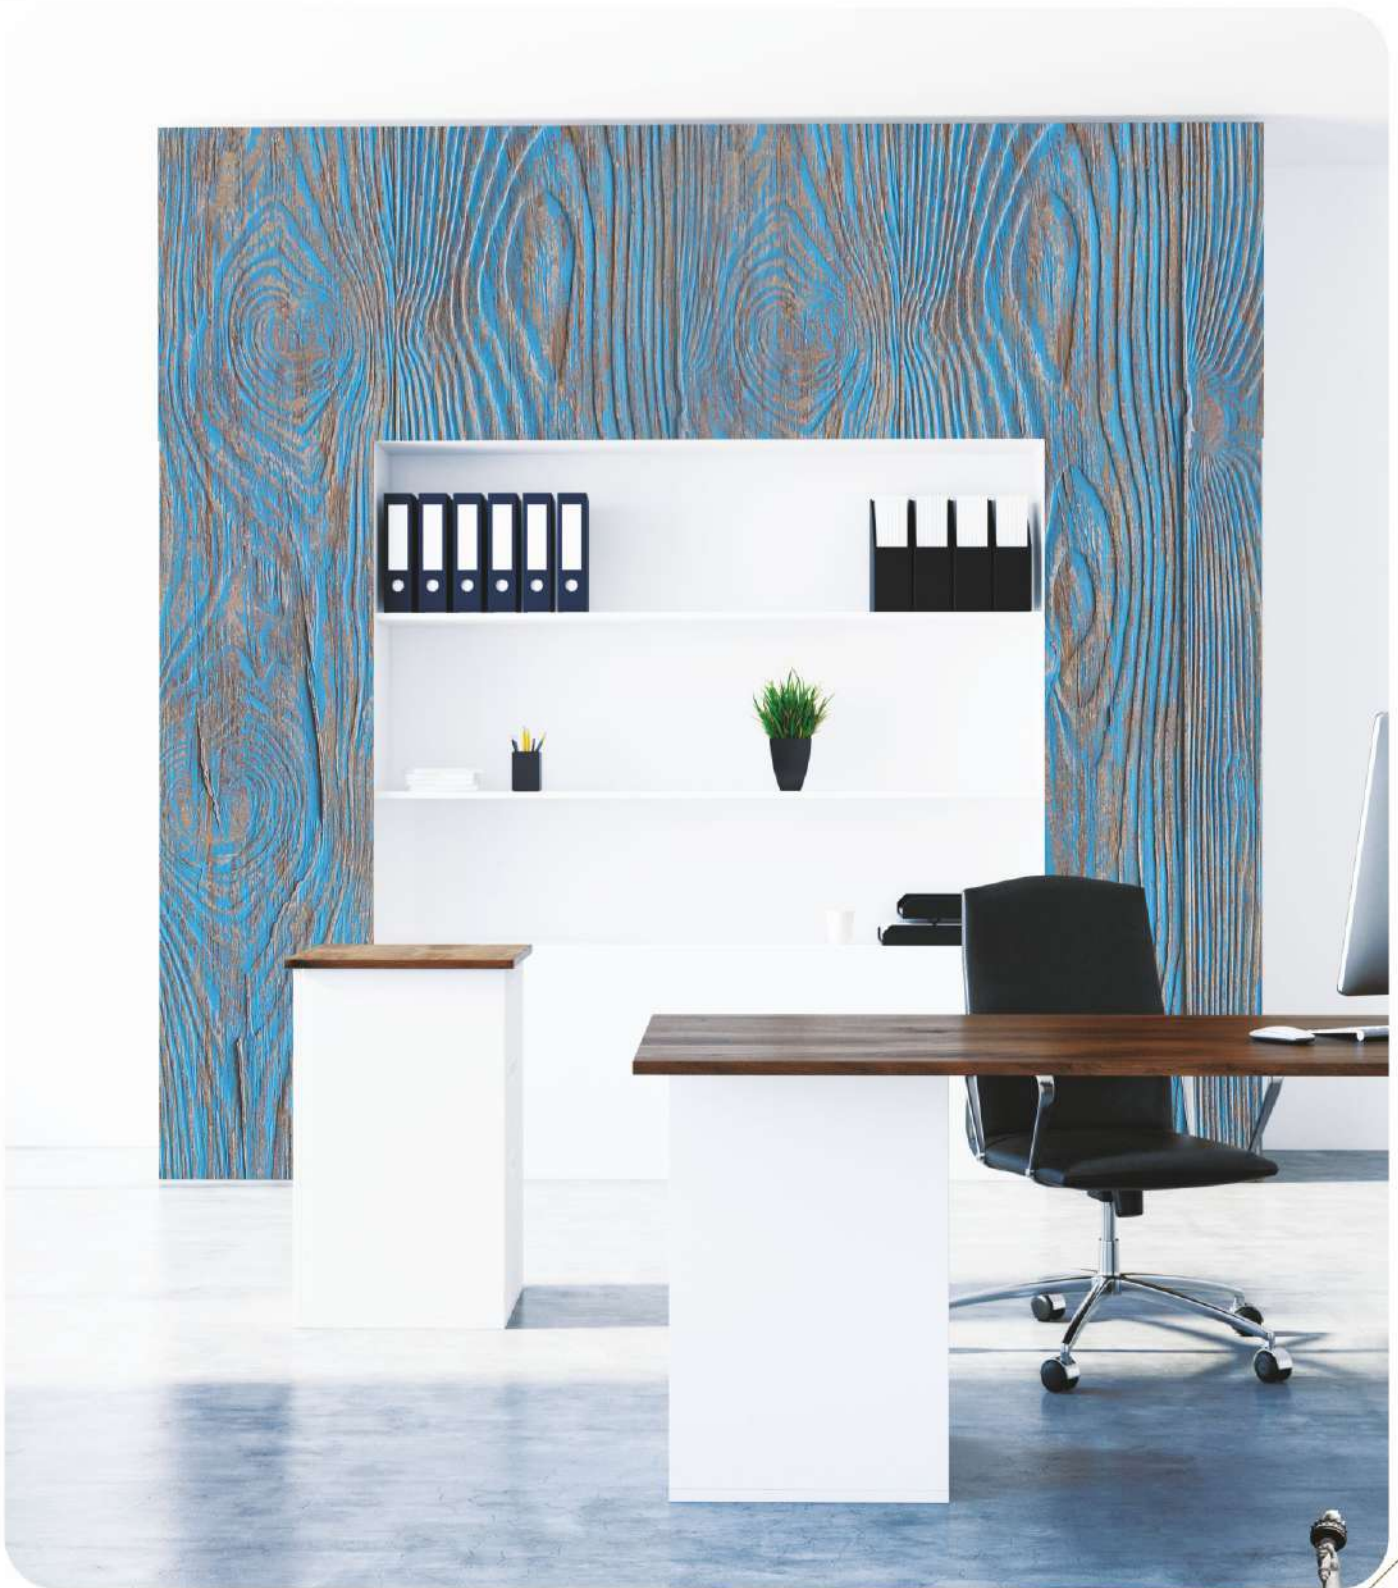

Thickness : Standard production of 1mm to 1.5mm

Customers and designers rely on our exclusive inventory and knowledgeable staff.

GRACE is available in Pan INDIA through our distributor network, so you can receive panels quickly, easily & affordably.

For Best appearance & better, one can use our **S.S. GOLD BAR** profile at the ends / edges, or boundaries off sheet that covers splits of the fabric.

There can be colour variation in material from different batches. It is advised to use same batch material to avoid colour variations. Actual colour of the laminates sheet may vary from this brochure.
